JCEL Entrepreneurial E-News

JCEL Launches New Web Site

Those who have ventured passed the Bob and Eileen Sill Business Incubator in the past year have noticed the ongoing renovation of what they used to know as an old, rundown school building. Today, a visit to the Sill Business Incubator reveals its new offices, new tenants and a new parking lot. While most of the changes are to the building itself, one upcoming change is something that can only see on the World Wide Web. ([Read More](#))

Junior Achievement and JCEL Join Forces

Beginning in the fall of 2010, JCEL, in conjunction with Junior Achievement, will be in the business classes throughout the four local high schools and introduce and teach a program entitled "Be Entrepreneurial". ([Read More](#))

Mentors Needed!

Henry Ford once said, "Whether you believe you can, or you can't, you are right." Even though these words were spoken many years ago, they still ring true today, especially in the case of young entrepreneurs. ([Read More](#))

Pearl BioSciences, LLC

Founded in 2005 by Juniata College Professor Dr. Michael Boyle, Mark W. DuMars of State College, PA, APDLS (a company located in State College), and Juniata College, Pearl Biosciences, LLC is currently developing five initial products, consisting of manufactured binding proteins, based on a new technology.
